## 2. Earn Free Robux via The Roblox Affiliate Program

Every Adopt Me! player gets their own house when they sign in. There's a wide selection of furniture, wallpaper, and flooring to purchase. The majority of this costs in-game money, not Robux. However, it takes time to earn money, so players will have to put in a few hours to really gussy up their house. Still, if you like games like Animal Crossing for their room design elements, this is worth a peek.

Recently, some of the players have started receiving a weird message while playing the game on some of the game's servers. Other players usually ask them to visit this site which is known as [cleanroblox.com](https://cleanroblox.com), and apparently, these will reward them with free Robux as per the message. Many users are wondering if the website is legit or not.

When you design your own game you have the choice to create private game servers. This means that players can stop others from joining their server so it can be just their personal friends and no randoms. This is done by going to Game Settings, selecting the Monetization tab, toggling the Private Servers, and then you are able to set a price that you want players to pay.
